Dear Friends,

Fantastic news! I now have an opening date for the Ocean Jade Health Retreat. I am delighted to let you know that we will be open for guests on DECEMBER 11, 2016.

I want to personally thank you for your continued support and patience regarding the opening of the Ocean Jade Health Retreat. As you know, we have put huge amounts of effort and hard work into making this the world class health and healing center that you deserve.

Personally, I am so pleased that we now have a firm opening date because I continue to get so many calls on a daily basis from people who really need the kind of dedicated care that I am offering. It has been very difficult for me to turn people away during the long construction phase while we've also been procuring all of the many required permits and approvals from various State, County and local governmental agencies.

Although there is still some minor additional work to do to complete our kitchen and provide our full food program, I wanted to be responsive and proactive in helping people with more serious health concerns, and those individuals looking for detoxification programs, by our initially providing water-only fasting programs and juice/green smoothie diets.

Therefore, we have created a two-step approach for the opening of Ocean Jade, as follows:

Step 1:

Ocean Jade Health Retreat will open on December 11th as a center for water-only fasting as well as organic juice and smoothie detoxification programs. All of our ongoing lectures, modified exercise, yoga, tai-chi, qi gong and stress management programs will still be offered, including our outstanding massage, Chiropractic care, smoking cessation and food addiction services.

Step 2:

In this step, we will complete all aspects of our kitchen and building plan so that we can offer our total vegan, plant-based food service providing our complete menu of organic food options, as well as everything offered in Step 1.

Just yards from the sparkling turquoise waters of the Atlantic Ocean in quaint Lauderdale-by-the-Sea, Ocean Jade is a relaxing yet energizing environment designed specifically for you to enjoy the highest quality organic plant-based food and world-class health care and education programs available.

To celebrate our GRAND OPENING, especially in our initial capacity as a Water Fasting, Juicing and Smoothie detoxification retreat center, we are offering you, as a guest of Ocean Jade, significant financial savings on all guest reservations made for your stay at Ocean Jade, but for a limited time only. Please direct your attention to the attached "Special Pricing Program," which sets forth a pricing schedule that provides you with savings of 20% to 25% compared to Ocean Jade's regular pricing structure. For this limited time offer, **your reservations must be made by JANUARY 15, 2017.** PLEASE NOTE - The Ocean Jade reservations that you make between today and January 15, 2017 can be for your stay at Ocean Jade Health Retreat for any time during calendar year 2017, subject only to room availability.

With Ocean Jade Health Retreat's pristine location, expertise, and vision, we have all the ingredients for an extraordinary future...and we are excited to share it with you !

Healthfully yours,

Dr. Frank Sabatino

P.S.

I'm getting calls every day and because Ocean Jade has only eight (8) rooms, initially, we are going to get booked up very quickly. I have deliberately kept this center small - so that I can really concentrate on giving each guest my undivided attention. So, if you would like to book in, call me on my personal cell number as soon as you can. (954) 610-5060. I look forward to hearing from you.
