## Featured Presentation

'Cooking and Travel Tips from a  
30-year Vegan'

Our very own Chef  
Extraordinaire, **Brook Katz**,  
removes his chef hat and apron  
as he shares his experiences and  
travel adventures as a vegan .

A military paramedic-surgery  
technician, at age 30 Brook  
changed his lifestyle and  
switched to holistic-natural  
medicine. A restaurateur,  
educator, activist, certified in  
polarity and bio-magnetic  
therapies, masseur, and  
reflexologist Brook is committed  
to animal welfare and vegan  
nutrition-outreach, especially  
"veganizing" S.A.D. recipes (a  
word he coined.)
